

TS Slurry PU Hose

TS is a heavy duty slurry discharge and transfer hose. The hose construction features a thick wall for additional abrasion resistance and durability in rugged slurry transfer applications.

Hose construction

Polyurethane extruded through one woven polyester ply of reinforcement

Temperature range

-40°C to +80°C

- Higher wall thickness to achieve longer rubbing resistance
- Much easier to couple, install and remove than polyethylene pipe
- Excellent resistance to internal and external abrasion
- Burst Pressure Value 3:1

Number	I.D.	O.D.	WP	BP	Weight	R min
